

City of Loma Linda Official Report

Floyd Petersen, Mayor
Stan Brauer, Mayor pro tempore
Robert Christman, Councilmember
Robert Ziprick, Councilmember
Charles Umeda, Councilmember

COUNCIL AGENDA: December 13, 2005

TO: City Council

VIA: Dennis R. Halloway, City Manager

FROM: Jarb Thaipejr, Public Works Director/City Engineer

SUBJECT: Change Order to Contract with John Griffin Construction, Inc. to install Security Cameras at City Hall and the Corporation Yard

RECOMMENDATION

It is recommended that the City Council approve a change order to John Griffin Construction, Inc. of Corona for the amount of \$11,512 to their contract to install security cameras at City Hall and the Corporation Yard.

BACKGROUND

On October 25, 2005, City Council awarded a contract to John Griffin Construction, Inc. in Corona to install security cameras at public facilities and City parks. The imagery from these cameras will be used by Public Safety Personnel to record events and to prosecute those responsible for crimes.

The City's Corporation Yard has been broken into approximately 14 times during the past four years. The majority of time perpetrators were scared off the premises from activating the audible alarm system. However, there have been several occasions where the perpetrators have eluded the security sensors. On those occasions, vehicles have been vandalized and items have been stolen from the Corporation Yard. There are security sensors along the entire perimeter of the Corporation Yard.

ANALYSIS

The installation of security cameras at the two City facilities would deter perpetrators and allow the City to collect imagery of perpetrators in the act and assist in prosecution.

FINANCIAL IMPACT

Funding for this project has been budgeted in Account No. 65-7010-1300 (\$5,512) and 05-3500-1300 (\$6,000).
